Please do ask if there is anything that you would like to order that is not on the list. We will endeavour to accommodate you, but as we make most of our products fresh on site each day we have had to limit the range during the busy Christmas period.

Orders are not restricted to the days on the form and you can order for earlier in the month, just ask us.

If you would like to be added to our mailing list for our occasional e-newsletter with information about products and new developments at the bakery, please provide your e-mail address here:
